

Re: USATF and AAU Membership Requirements
Date: 05/29/2018

Good morning ~

This information is important if your athlete wishes to participate in the upcoming USATF meet(s) - (state, regional or national) or AAU meet(s) - (regional or national).

Reminder of our end-of-season USATF and AAU Championships schedule:

USATF

- June 16, 2018 - June 17, 2018 - USATF State Meet (Ames, IA)
- July 5, 2018 - July 8, 2018 - USATF Regional Meet (Indianola, IA)
- July 23, 2018 - July 29, 2018 - USATF National Meet (Greensboro, NC)

AAU

- June 28, 2018 - July 1, 2018 - AAU Regional Meet (Indianola, IA)
- July 28, 2018 - August 4, 2018 - AAU National Meet (Des Moines, IA)

All athletes can compete in the USATF State Meet and AAU Regional Meet. Qualifiers from those meets can compete at subsequent National Meets.

USATF allows the top 8 state meet finishers to advance to the regional meet and subsequently the top 5 regional meet finishers to advance to the national meet. AAU allows the top 6 regional meet finishers to advance to the national meet.

(Note: There is not an AAU State Meet this season since Iowa is hosting the AAU National Meet. All Iowa athletes are eligible to compete at the regional meet.) We will provide more details and request event interest as the dates grow nearer.

We are emailing now because USATF and AAU require athletes to obtain a membership to compete in state/regional/national meets. Parents with athletes interested in competing should complete the membership enrollment ASAP.

Please click [here](#) for USATF membership enrollment/renewal. You must enter our USATF club code (40-2023) to be associated with DCG Track Club.

Please click [here](#) for AAU membership enrollment/renewal. You must enter our AAU club code (WY5WFT) to be associated with DCG Track Club.

Additional USATF and AAU information can be found by scrolling down on the [Meets](#) page of our website. Full competition rules can be found by scrolling to the bottom of the [Documents](#) page of our website.

As we noted in our parent meeting, track club "officially" ends with the USATF State Meet [June 17, 2018]. However, we will continue to communicate information and will facilitate the process for those interested in competing further into the summer.

Thanks,

DCG Track Club Coaches
